

## Two New Members Join the MDB Team

28 Jan 2010

Millier Dickinson Blais is pleased to announce the addition of two new members to our team. Jordan Katz has joined our Toronto office as an associate consultant and Crystal Draper will be taking on the same role in our Hamilton office in February.

Jordan originally came to Millier Dickinson Blais as an intern in 2009 while doing his MAES in Local Economic Development at the University of Waterloo. Jordan has a BA in Urban Studies, Geography and Political Science from the University of Toronto. While completing his degrees, Jordan has served as a research assistant at both the University of Waterloo and the University of Toronto, a competitive intelligence analyst at TELUS and a policy intern at the Canadian Urban Institute.

Crystal is joining us from Alberta, where she has worked for the Regional Economic Development Initiative for Northwest Alberta as an economic developer officer and most recently as the manager of regional economic development. Crystal has a Bachelor of Tourism Studies from Brock University with a focus on planning and development.
